Summary

Operations Leader with 8+ years of experience specializing in digital transformation, financial governance, and international program management. Proven track record in automating enterprise-scale financial tools using Google Apps Script, scaling digital systems across 7 countries, and ensuring global compliance within high-stakes environments. Expert in bridging the gap between technical systems and business needs to drive measurable operational efficiency.

Skills

- **Program & Delivery:** PMO Governance, Portfolio Execution, Lean Six Sigma Black Belt, Change Management
- **Operations & Support:** Technical Tooling Transformation, Financial Margin Analysis, Global Rollouts, Stakeholder Management
- **Technical Tools:** Google Apps Script, Salesforce (Reporting), Monday.com, Jira, Confluence, Tableau, SPSS, Minitab, MS Office
- **Languages:** English, Tamil, Hindi, Kannada, German (A2), French (A1)

Experience

Project Manager, Global PMO | RingCentral | Bangalore, India

Apr 2024 – Present

- Manage and maintain the Global Margin Calculator; currently leading the automation of the LOE Allocation Calculator (LAC) using Google Apps Script to ensure financial accuracy and margin integrity.
- Enforce global time-tracking compliance across project teams, ensuring the accurate capture of billable hours for enterprise revenue reporting.
- Directed the technical migration from Smartsheet to Monday.com, architecting unified workspace structures and automation rules to optimize cross-functional delivery.
- Execute User Acceptance Testing (UAT) and smoke testing for Salesforce updates, ensuring system stability for commercial and financial operations.
- Facilitate third-party vendor renewals, including quote negotiation and Purchase Order (PO) generation to maintain organizational infrastructure.

Senior Associate (Global Program Lead) | DKMS Foundation

Apr 2020 – Dec 2023

- Headed a global e-registration initiative across 7 countries, successfully transitioning donor onboarding from manual paper-based processes to a unified digital platform.
- Developed and authored the Standard Operating Procedures (SOPs) for Donor Recruitment, establishing the foundational operational framework still utilized by the organization today.
- Implemented GDPR-compliant protocols for the secure management of sensitive DNA and medical data, ensuring international regulatory alignment.
- Designed and scaled the "Student Ambassador" and "Pandora" programs, building decentralized volunteer networks and specialized kit-distribution logistics across India.
- Leveraged Tableau to analyze laboratory data regarding buccal swab accuracy, utilizing insights to optimize recruitment strategies and sample quality.
- Managed IT and inventory tracking functions during the foundation's startup and merger phase to ensure zero service disruption.

Associate (Process & Integration) | DKMS Foundation

Nov 2018 – Mar 2020

- Executed post-merger operational integration, standardizing compliance workflows between India and Germany HQs to ensure regulatory alignment.
- Optimized inventory management systems, implementing tracking protocols that improved audit readiness and reduced process costs by 40%.

Academic Enhancement Specialist | St Josefhhaus & UN Program | Germany

Aug 2017 – Aug 2018

- Facilitated academic and residential support at Karl-Rolfus-Schule, assisting students with special needs in daily lessons and fostering inclusive social environments.
- Served as UN Peace Messenger, advocating for sustainability and international cooperation in global workshops.

Program Executive | SoStakes Services Pvt Ltd | Bangalore

Jan 2017 – Aug 2017

- Designed operational delivery models for CSR projects and audited NGO timelines to ensure on-time milestone delivery.
- Facilitated stakeholder meetings between corporate sponsors and NGO leadership to align project objectives and ensure partner satisfaction.

Certifications

- Lean Six Sigma Black Belt
- Google Project Management Professional
- ESG & Climate Change

Education

- **St Joseph's University** — Masters in Social Work (Medical & Psychiatry) (2014–2016)
- **Madras University** — Bachelor's Degree in Historical Studies (2011–2014)
